Re: FEC Letter Dated 10/27/98; regarding 30-Day Post Special and Amended
30-Day Post Special Reports, Bob Brady for Congress C00333740

Dear Ms. Kelly:

This letter is in response to your letter as referenced above (see attached copy of your letter). I shall answer each item in your letter in the itemized order in which you presented them.

1) In researching our records for the contributor information for John Rosenthal and Susan E. Costa, we noted the following: according to our records Mr. Rosenthal's contribution was reported via '48 hour notice' and was reported on our report properly at page 33 of 42 for line # 11(a)(i) of our amended report for this period. (See attached copies).

The item pertaining to Susan E. Costa, on our 48-hour notice, we reported the contribution as attributable to Mrs. Costa. On our report, we attributed the contribution to her husband, Mr. Brian A. Costa at page 8 of 42 line # 11(a)(i). This error occurred due to an input error by our data processing staff. The contribution is attributable to Mrs. Costa as our 48-hour notice indicated.

2) The committee is making our 'best efforts' attempts on a continuing basis to obtain incomplete contributor information. Our process is as follows: once a contribution, over \$200, is received and deposited, and it is determined that we have incomplete contributor information we then contact that contributor by mail/letter. (See attached letter copy for exhibit purposes.) With each letter, is an accompanying form that we ask the contributor to fill-out and send back to us in a pre-addressed and postage paid envelope. We also maintain a 'master log' of those requests for information sent-out, responses received and second requests sent, if necessary.

3) The items contained on Schedule B that has missing or non-full addresses, an amendment is forthcoming to rectify these items.
